April 2025

Well the season has officially come to an end and so too has my time as President of BCC. After our AGM last night I am very proud to let you know that David Horn has taken on this challenge and will lead BCC for the next 12 months as President. Congratulations Dave. I would like to thank the entire BCC Committee and broader community for supporting me over the past three seasons. I've very much enjoyed leading our Club into a new era, one where we will continue to shine, on and off the field. Over and out!

From over 1,100 community clubs, our club was chosen based on our welcoming environment, inclusive programs and forward thinking approach. Congratulations to every member for helping us achieve such a special recognition.

FAREWELL MODE

We have enjoyed having Modester (Mode) Mupachikwa with us again from Zimbabwe this season. Hosted by Roger & Carol Pearce, Mode enjoyed coaching our junior girls and playing in our Senior 2nd XI. Now back in Zimbabwe, Mode is looking forward to her next challenge. All the very best Mode - we know we'll see you again soon!!

JAMES EDGAR (EGG) DOES KOKODA

Life Member James Edgar recently travelled to Papua New Guinea and trekked the Kokoda Trail. Along the way he donated some BCC gear to very happy locals. Pictured here with a young man, who walked with the group for 5 days to go to school and to find work. Great effort James.
